Lili's Wonderland in St. James Hall

The first Lili's Wonderland series took place this week at St James Hall. We had magical, inspiring, funny and touching moments. After attending our first workshop, one of our attendees said:

"This is an AMAZING space—play, depth, vulnerability, safety. So incredible!"

There are still a few spaces for the afternoon workshop in French taking place on **Saturday, March 16 from 1pm to 5 pm at the same location.**

The poster is for a workshop titled "LILI'S WONDERLAND la maternelle pour adultes". It features a teal background with stylized sunburst graphics in white and yellow. The text is in white and yellow. A central photo shows the instructor, Lyne 'Lili' Barnabé, smiling. The poster includes details about the workshop's theme, program, location, date, and pricing.

PAC meeting

We all have a very busy schedule and it is sometimes hard to find the time to attend our PAC meetings, but they are essential to work effectively. A lot of information is provided, including by the school principal, our treasurer and our president.

We particularly encourage **class representatives** to attend and engage in the dialogue (in French or in English) so that you can answer questions from the parents of the class you represent and share their concerns with us.

Our next meeting will take place at **7pm at Jules Verne library**, on

Monday, April 8, 2019.
