RDV

L'école Rose-des-vents is a francophone school for students from kindergarten to grade 6.

Its motto: **Respect**
Dépassement de soi (Exceeding oneself)
Vivre en français (Living in French)

Communication between the school and parents is done mainly via email, with weekly and monthly updates informing you on school activities.

If you are not receiving the school emails, please contact the office immediately.

PAC

The Parent Association is administered by volunteer members, and its goal is to facilitate the exchange of information and ideas relating to the school and the education of our children. The PAC is a meeting place that promotes constructive participation. The PAC is a member of the FPFGB and their website describes the role and mandate of a PAC (www.fpcb.bc.ca). The **PAC website (next page)** is an indispensable resource, gathering all relevant information: news, directory, programs, calendar, etc.

During PAC meetings:

- The school Principal presents the monthly report and informs us on upcoming projects.
- The parents vote on certain decisions such as the school calendar, PAC budgetary matters, etc.

The PAC and the school require volunteers to ensure the proper function of certain programs (library assistance, pizza distribution...). Please do not hesitate to offer your assistance and mention any particular skills you may have.

Services

- Hot Lunch Program → hot meals prepared by a caterer are offered all through the year. If you would like your child to participate in this program, simply sign up as soon as you receive the email. If not, be sure to send a packed lunch. Whichever you choose, please remember to send utensils.
- Library → weekly access requires a special book bag that you can obtain at the office.
- School bus → if you wish, Thirdwave bus company offers free transportation for your child, to and from school. Consult the website www.csf.bc.ca for more details.
