Quand Migo tombe face à face avec l'une des 'petits-pieds', il remet en doute les croyances de son peuple. Il est alors banni de son village. Il devra prendre son courage à deux mains afin d'affronter l'inconnu et s'aventurer là où aucun yéti n'a jamais mis les pattes.

Migo is a friendly Yeti whose world gets turned upside down when he discovers something that he didn't know existed -- a human. The rest of the villagers refuse to believe his fantastic tale. Migo embarks on an epic journey to find the creature that can put him back in good graces with his community.

Meeting for parents of children in grades 3, 4 and 6 during the film!

A meeting will take place in the staff room for parents of children in grades 3, 4 and 6. The aim of this meeting is to discuss upcoming fundraising events to help finance the school trips of these classes.

The more money we can raise through our fundraisers the more we can reduce the cost per family. Come and join us in this informal setting and share your ideas!
