

Dear parents, Hello!

Request your action: preschool ile-aux-enfants and CSF consultation

I am the Garderie L'île-aux-enfants president (full time preschool), housed on the RDV site since 2001.

As some of you may already know, the Garderie uses a classroom in the RDV school.

Last year, the Garderie had been put in a tough spot with a risk to close services in 6 months. Today, the Garderie still fights to ensure its existence in our community.

In these times of discussions regarding yet new changes within our community, I would like to provide you with important information in order to inform your debates and decisions regarding use of CSF space West of Main Street.

During a discussion with the CSF, I was made aware that **preschool services could not be housed in the new spaces (Henderson and Laurier annexes)** recently rented by VSB to the CSF. This is a special requirement from the VSB on their rented space.

This information indicates that preschool services, including the Garderie L'île-aux-enfants, if they were to stay on a CSF site, could only be housed in the RDV school, owned by the CSF.

Dear parents, with knowledge of this situation, I am asking you to consider the future of the West of Main Street catchment preschool system, especially when looking at the current CSF consultation regarding use of space at Henderson, Laurier and RDV sites.

If you would like more information about that topic, feel free to contact me. Thank you all.

Émilie Lapprend,

Garderie L'île-aux-enfants – Acting president 2017/2018,
