August Pullman est un petit garçon né avec une malformation du visage qui l'a empêché jusqu'à présent d'être normalement à l'école. Aujourd'hui, il rentre en CM2 à l'école de son quartier. C'est le début d'une aventure humaine hors du commun.

Based on the New York Times bestseller, WONDER tells the incredibly inspiring and heartwarming story of August Pullman, a boy with facial differences who enters fifth grade, attending a mainstream elementary school for the first time.

Come to watch at Jules Verne auditorium the second movie of the year organized by PAC and parents. Pasta and crêpes will be for sale.

Urgent: looking for a francophone parent

We would like to set up a new committee to improve communication between APE and parents. An Anglophone parent is already volunteer. However, we need a second francophone parent for the translation. Please let us know if you are interested.
